Join us!

As Conference Chairman I'd like to invite you to attend the 11th Healthcare Infection Society International Conference, 26-28 November 2018 at the Arena and Convention Centre (ACC) Liverpool, UK.

HIS 2018 offers an ideal platform to companies with a particular interest in infections that are acquired as a result of healthcare interventions, or those supplying the wider healthcare market. By sponsoring or exhibiting at this event you will have unprecedented access to approximately 800 infection prevention and control practitioners from around the world, including high profile physicians involved in combating infectious diseases.

The three day programme will include extensive opportunities for delegate and exhibitor interaction, including poster displays, scheduled

poster sessions and refreshment stations strategically located within the exhibition hall to increase footfall. You may even wish to utilise one of the dedicated symposium slots which proved hugely popular in 2016.

Liverpool is a vibrant city boasting excellent facilities with a vast array of cultural, leisure and retail outlets. Just 2 hours from London and with direct connections from all major cities, Liverpool is the ideal conference destination for UK and international delegates alike.

Commercial support is an integral part of our biennial event and vital to grow its reputation as a topical and relevant event. By working together I'm sure we will make HIS 2018 extremely successful.

About the Healthcare Infection Society (HIS)

HIS is a UK based international society with members in over 60 countries. It was formed in 1980 by a group of consultant medical microbiologists who wished to foster interest in the science of hospital acquired infection and its control. Although membership is largely medical, especially consultant microbiologists and trainees, many nurses and other health professionals with an interest in infection control are also members. The main objective of HIS is to advance knowledge of, foster scientific interest in and disseminate information about the prevention and control of healthcare associated infections, to medical and allied professionals for the benefit of the public.

The Society's journal, the *Journal of Hospital Infection* (JHI) is published monthly, and includes original articles that relate to all aspects of infection prevention and control in healthcare settings. JHI also publishes articles that relate to national policies or guidelines, especially where the subject matter is of international relevance. HIS offers access to JHI as a membership benefit. The JHI seeks to promote collaboration between the many disciplines in infection control in different countries, resulting in multidisciplinary and international coverage of the latest developments.

HIS also runs an annual programme of courses, conferences and training days that support healthcare professionals to communicate and learn about the latest developments, and foster collaboration in the field of healthcare associated infection prevention and control.

Through its membership and publishing activities HIS has the ability to make a huge impact on the prevention and control of healthcare associated infections, and ultimately improving and safeguarding public health.

Delegate Profile

This will be one of the largest infection prevention and control events in the UK in 2018 and will attract around 1000 professionals in this field. The audience will come from backgrounds whereby they either have direct decision making responsibility or otherwise heavily influence policy.

Biomedical Scientists **Intensivists**
Directors of Infection Prevention and Control **Paediatricians**
 Consultant Microbiologists **Respiratory Physicians**
Antimicrobial Pharmacists **Epidemiologists**
 Infectious Disease Physicians **Surveillance Nurses**
Infection Prevention and Control Nurses
 Public Health Practitioners **HIV Consultants**
Practitioners in Infection Prevention and Control
Decontamination/Sterile Services Staff

Scientific Programme

The conference programme is currently under development and will shortly be available to view at www.his.org.uk/conference.

Marketing

A strong event brand and well-developed marketing plan is in place to ensure all possible channels are accessed, so you can rest assured that the event will attract plentiful and relevant delegates.

1. A campaign is planned which will focus on attracting the HIS membership to include medically qualified microbiologists, infectious disease physicians, trainee medical microbiologists and other specified trainees in infection related specialties who work in the field of hospital and other healthcare associated infection.

The event plan has been developed to ensure there is:

- a strong microbiological content on the educational programme
 - a strong infection prevention and control educational programme
 - a forum by which delegates can update their knowledge and skills by offering unrivalled networking opportunities
 - opportunity to be part of the programme by submitting an abstract as an oral paper or poster presentation
 - using a world class conference centre in a popular and historical city with excellent transport links
2. A detailed marketing campaign will be launched to include:
 - launching at FIS 2017 to a relevant audience with a strong and recognisable conference brand
 - integrated conference website within the already established HIS website
 - targeted email marketing to all members on a regular basis with incentives to register early
 - regular communication with the membership by using the HIS monthly newsletter
 - use of social media to include Twitter
 - partnering with related UK and international websites
 - working with relevant media channels
 - attending other events to promote HIS 2018
 - sending promotional materials for display at relevant events
 - utilising the audience of relevant journals, including the JHI, by including print adverts and editorial
 - engaging with exhibitors and sponsors in the marketing initiatives

Feedback from the 10th HIS International Conference (2016)

95% rated their overall conference experience as **very good** or **good**
93% of delegates rated the overall scientific content as **very good** or **good**
100% felt the event was **better** or the same as previous HIS events
75% of exhibiting companies found the final day of the exhibition **beneficial**

“ The best exhibition arrival we have experienced.
 Everything in place, build complete, all working. Outstanding. ”

Ways to Exhibit

There are 2 ways to exhibit:

1. Space *with* shell scheme
2. Space *without* shell scheme

1. Space with Shell Scheme

If you have a pop up stand, banner stand, table top stand, display cabinets or literature racks, this is the method for you. The majority of exhibiting companies will use this method.

The shell scheme stand includes up to 3 walls. Where it is situated on a corner or at the end of a row of stands, it will normally be left open on two sides unless other instructions are received from the exhibiting company. Price includes:

- Shell scheme
- Name fascia board
- Catering for 1 company representative per 3m² of space booked
- General-purpose spotlights allocation based on m² (spotlights are positioned on the back of the fascia board)
- 500w socket/s supplied dependant on m² sold (socket/s are positioned on any perimeter wall panels)

The venue is carpeted.

Price does not include water and waste supply, furniture, display equipment and floral displays. All these additional services can be hired from the official exhibition contractor. Further details will be sent around July 2018.

2. Space without shell scheme

This is for companies who wish to build their own bespoke stand. **The minimum size for this method of exhibiting is 15m².** A scaled (1:200) floor plan and design visuals will need to be provided 6 weeks before the start of build.

Please note that where the space opens onto a common corridor or walkway, the maximum height of any walling built there is to be no more than 1m. Where the space backs onto another stand, dividing walls will need to be built by both parties.

Catering will be provided for 1 company representative per 3m² of space booked. Sockets, lighting and shell scheme are not included in the cost (the venue is carpeted). Further details will be sent around July 2018.

To Book

The cost is £525.00 per sqm

(copy/paste into browser if link does not work)

Stands will be allocated on a first come, first served basis. Bookings can be made by the following methods and will be held for 7 days:

- **Phone Fitwise on +44 (0)1506 292 036**
- **Fax booking form to Fitwise on +44 (0)1506 811 477**
- **E-mail: paul.harrison@fitwise.co.uk**

Confirm your provisional booking

Send us the completed stand booking form within 7 days by post, fax or email.

What happens next?

Once Fitwise receives your completed booking form with payment (or a copy of an official purchase order) we will write to you confirming your space allocation and enclose a tax invoice or receipted tax invoice as appropriate.

Around the beginning of July 2018 you will receive a link to the online exhibition manual. This will include further details and will ask you to submit required information.

There will be return deadlines which will be clearly marked on the home page of the website. Your assistance in meeting these deadlines would be appreciated.

Cancellations

Refunds for stands, which are cancelled, will only be made if the event is sold out. Every effort will be made to resell all stand space.

All prices quoted exclude UK VAT at 20%.

Set Up and Breakdown Times

Please note that timings are provisional and are subject to change. Further details will be sent to exhibiting companies around July 2018.

Set up – Sunday 25 November 2018

Space only exhibitors and their contractors: 10:00 – 19:00

Exhibitors with shell scheme stand: 15:00 – 19:00

Monday 26 November 2018

Exhibition opens: 08:00

Breakdown - Wednesday 28 November 2018

Shell scheme: 13:30 – 20:00

Contractors: 14:30 – 20:00

All exhibitors must have cleared the premises by 20:00 on Wednesday 28 November 2018. Any additional charges levied by the venue as a result of missing this deadline will be passed onto the exhibiting company.

Stand restrictions for space only stands

Any stand over 4m in height has to comply with the health and safety requirements for a complex temporary structure and must have a full risk assessment and structural plan approved by a qualified structural engineer. This is the responsibility of the exhibitor.

When booking stand space, it is the responsibility of the exhibitor to ensure that there is adequate and suitable access to all services including water and waste supply. We strongly recommend that a site survey be undertaken if you are planning a complex structure.

Floor plans

Detailed floor plans of your space only self-build stand must be submitted to the organisers 6 weeks prior to the event. The plans will then be forwarded to the venue for a health and safety check and for compatibility check with adjacent stands.

Risk assessment

All space only stands must submit a risk assessment for their stand. A risk assessment template will be available on the online exhibitor manual around July 2018.

Additional Information

Conference and Exhibition Handbook

Each delegate will receive a copy of the handbook which will include full details of the conference programme, exhibition plan and exhibiting companies' details. This handbook is often used as a reference throughout the year.

Exhibiting companies or organisations are invited to submit a free editorial entry of up to 75 words for inclusion in the specially prepared Conference and Exhibition Handbook. Further information and deadlines will be sent to you around July 2018.

Attendance at Conference Sessions

Conference sessions are open to all exhibiting company representatives as part of the exhibition fee but priority is given to delegates in busy sessions.

Catering within the Exhibition

All daytime catering for delegates will be served in the exhibition areas. Tables and seating will be situated around the exhibition for delegates to use during this time to encourage people to remain within the exhibition hall. Multiple catering service points will limit queuing time and therefore maximise exhibition viewing time.

Exhibitors

Coffee/tea and lunch for one representative per 3m² of exhibitor stand space per day is included in the cost of both the shell stands and space only stands. Additional staff can attend. However a charge will be levied per person to cover the associated costs which will be incurred by HIS.

Further requirements for catering are available to exhibiting company representatives directly from the official venue caterers. An order form will be provided on booking a stand. Corkage charges will apply to all food and beverages brought onto the premises by exhibiting companies for delegate consumption. Both the official caterers and the organisers must be informed of any intention to supply delegates with food or beverages on your stand during the event.

Welcome Reception

A Welcome Reception will be held in the evening of the opening day of the conference in the exhibition hall. All delegates and exhibitors will be encouraged to come along and the reception will provide you with an excellent opportunity to socialise with delegates. In the past, the Welcome Reception has attracted around 500 delegates.

Flow of Delegates

Much consideration goes into encouraging delegates to move easily and freely around all areas of the exhibition to gain access to all stands. Catering is placed strategically to draw delegates to all areas of the exhibition hall and seating areas are designed to allow delegates somewhere to enjoy their refreshments but not to linger. Posters also draw delegates through the exhibition as they are a major part of HIS conferences. Thus every effort is made to facilitate the successful flow of delegates around the exhibition.

Terms & Conditions

Definitions

In these regulations the term "Exhibition" in all cases refers to the exhibition being held in conjunction with the "Healthcare Infection Society". The term "Exhibitor" includes any person, firm, company, association, organisation and its employees, servants or agents to whom space has been allocated for the purpose of exhibiting at the exhibition. The term "Organisers" means Fitwise Management Ltd on behalf of the Conference Organising Group of the "Healthcare Infection Society". The term "Premises" refers to the "Arena Convention Centre, Liverpool".

Cancellations

Refunds for stands, which are cancelled, will only be made in the event of the exhibition being sold out. Every effort will be made to re-sell all stand space.

Applications for and allocation of stand space

Applications for stand space must be made on the form provided which should be returned to paul.harrison@fitwise.co.uk as soon as possible. Full payment should be made within 30 days of the confirmation of booking. Acknowledgement of the booking and a VAT invoice will be sent to you within 7 working days. Attention will be paid to the order in which forms have been received when allocating space. Notification of stand(s) allocated will be circulated to exhibitors as soon as possible after the booking date. The organisers reserve the right to refuse any application or prohibit any exhibit without assigning any reason for such refusal or prohibition. An exhibitor may not, except by express written permission of the organisers, display or give credit directly or indirectly to any goods, products or services other than his own or his named principals. The display or acknowledgement or credit or advertisement indicating membership of any organisation, society or trade association is not allowed except by express written permission of the organisers. The organisers retain the right to alter the layout of the exhibition if it is deemed to be in the best interests of the exhibition. Exhibitors should note, however, that every effort will be made to maintain the published exhibition plan layout.

Bankruptcy or liquidation

In the event of an exhibitor becoming bankrupt or entering into liquidation (other than voluntary liquidation for the purpose of amalgamation or reconstruction) or having the receiver appointed, the contract with such an exhibitor will terminate forthwith, the allotment of stand space will be cancelled and all sums paid by the exhibitor under contract shall be forfeit.

Sub-letting

Sub-letting or licensing the use of stand space is not permitted, neither may the products or service of firms not exhibiting in their own rights be promoted or displayed as exhibits, except where the exhibitor is the United Kingdom selling agent for such products or firms, or express written permission has been obtained from the organisers.

Occupation of stand space

The Exhibitor, his servants, agents, employees and contractors may enter the building at a time nominated to them for the purpose of stand fitting and dressing. In the event of an Exhibitor failing to take possession of his stand the organisers have the right to re-let the stand and all monies paid shall be forfeit. All exhibits, displays, stand fittings and materials must be removed from the building Wednesday 28 November 2018 at 19:59. Failure to occupy your allocated stand space by 08:00 on Monday 26 November 2018 may result in the allocated stand space being re-let or otherwise used.

Installation and removal of exhibits

Exhibitors will be advised of when they may commence fitting up and arrangements of exhibits. Exhibitors are prohibited from commencing such fitting up until the time nominated to them. The organisers will use their best endeavours to adhere to the nominated date for the commencement of exhibitor's work but will accept no responsibility for any costs, claims or expenses arising from any variation to such date. Exhibits which do not reasonably satisfy the organisers shall be modified forthwith by the exhibitor in such manner and within such time as the organisers may require and in default the organisers may remove such exhibits at the expense of the exhibitor who shall forfeit all sums paid by way of deposit, rental or otherwise. Exhibits may not be removed until the exhibition has been closed. Any special arrangements for installation or removal of exhibits must be made in consultation with the organisers in order that no liability arises in terms of the health and safety regulations applying at the venue.

Stand construction and services

When booking the stand space it is the responsibility of the exhibitor to ensure that there is adequate and suitable access to water and waste should they require it by undertaking an onsite survey. The organisers will appoint official contractors to undertake the following work: shell scheme construction, electric, provision of water and waste services, furniture, carpeting and all other services. No other contractor will be permitted to undertake any of this work other than one deemed appropriate by the organisers.

Obstruction of gangways and open spaces

Exhibitors will not be permitted to display exhibits in such a manner as to obstruct the light or impede or project over gangways or affect the displays on neighbouring stands. Gangways must at all times be kept clear and free for passage. Any exhibitor who continues to cause a nuisance or obstruction after notice has been given will be liable to have his stand cleared by the organisers at the exhibitor's own risk and expense.

Trade union labour

All stand fitting construction or display work should be carried out by members of the appropriate Trade Union recognised by the exhibitions industry at rates of pay and overtime in accordance with the terms of the working rules agreement currently in force.

Electrical requirements

Lighting and power services will be available to the exhibitor through the official electrical contractor. A schedule of these services will be available within the exhibitor manual provided in July 2018. Exhibitors may provide their own electrical fittings where such fittings are in the form of made up units, showcases and/or signs complete and ready for connection to the mains supply. Exhibitors whose display requires plumbing, compressed air or heavier weight loading are advised to contact the organisers before selecting their preferred site. All electrics are required to be PAT tested.

Dangerous materials and exhibits

The exhibitor must conform to the conditions concerning explosives and dangerous combustible materials as laid down by the organisers and every appropriate authority or the item will be removed from the building at the exhibitor's risk and expense.

Fire precautions

In accordance with the requirements of every appropriate authority, all materials used in construction work display material etc. must be

effectively flameproof or made of non-flammable materials. Drapes and curtains must be at least 6" (150mm clear of the floor). Fire extinguishers will be provided by the organisers in the areas and placed, as regulations require. The exhibitor must comply with all reasonable instructions given by the organisers or any appropriate authority to avoid the risk of fire.

Security

The organisers will not be responsible for the safety of any exhibit, or any property of any exhibitor, or the loss, damage, or destruction by fire of other property. Nor will the organisers be responsible for any damage or injury to any exhibitor or any other person. It is recommended that exhibitors affect their own insurance to cover any potential loss. Exhibitors must obey all reasonable requests of both the organisers and security services in all cases.

Damage to premises, fixtures, fittings and shell scheme

No nails, screws or other fixtures may be driven into any part of the halls including floors nor may any part of the premises be damaged or disfigured in any way. Should any such damage occur the exhibitor concerned would be invoiced for any reparation charges incurred. Exhibitors may not alter the external shell scheme by adding or removing any part.

Competitions

Exhibitors who wish to run competitions at the exhibition such as prize draws, quizzes etc. must ensure that these fit with their own companies ABPI guidance.

Cleaning

The organisers will arrange for the daily cleaning of public areas of the exhibition hall outside the exhibition opening hours. Normal practice is for all aisles surrounding stands to be cleaned and as far onto stands as possible without moving or touching any stand equipment. Stands should be dressed by 08:00 on Monday 26 November 2018. If further cleaning is required this can be ordered via your exhibitor manual provided from July 2018.

Exhibitors technical manual

Further technical information concerning the exhibition together with order forms for all ancillary services available to exhibitors will be forwarded to exhibitors in July 2018.

General conditions

The organisers are responsible for the control of the exhibition areas. Exhibitors are responsible for the control of their own stands. The decision of the organisers is final and decisive on any question not covered in the foregoing regulations. Exhibitors must comply in all respects with the requirement of every appropriate authority, with the Terms of Agreement by which the organisers may occupy the premises and with policies of insurance affected by the organisers.

Insurance

Exhibitors are reminded of the need to consult their insurance company or insurance broker to cover themselves fully against all risks at the exhibition. Particular attention is drawn to the need for the following:

ABANDONMENT INSURANCE: Exhibitors should note below that the organisers are not obliged to return any monies paid for space in the event of cancellation or restriction of the exhibition.

STANDS/FIXTURES AND SIMILAR INSURANCE: All risks on loss or damage to exhibitor's property, fixtures, fittings and all other property of a similar nature such as personal property of directors principals and employees whilst on the premises and transit risks to and from the exhibition.

FAILURE TO VACATE: If the exhibitor should fail to remove all his property or otherwise fail to vacate the exhibition premises by 20:00 on Wednesday 28 November 2018 due to any cause whatsoever,

the exhibitor shall be fully responsible for any penalties imposed by the premises or any other losses and costs incurred by the organisers as a result of the exhibitor failing to vacate the premises by the agreed time and without prejudice to any other right or remedy of the organisers on demand.

CANCELLATION INSURANCE: On the rare occasion of a Conference being cancelled only the value of your stand will be refunded. Travel, accommodation and any other expenses must be covered by your own insurance. We can provide you with details of an Insurance Broker if required.

PUBLIC LIABILITY: Liability to the public may arise out of the exhibitor's activities and should be covered by insurance. Insurance should be affected with the minimum delay

Liability

Whilst the organiser will endeavour to protect exhibition property whilst on display at the exhibition it must be clearly understood that the management of the premises, the organising group and the organisers cannot accept liability for any loss or damage sustained or occasioned from any cause whatsoever. Exhibitors will be responsible for all damage to property and for any loss or injury caused by them or their agents or employees and will indemnify the organisers against all claims and expenses arising as a result. In the event of it being necessary for any reason whatsoever for the exhibition to be abandoned, postponed or altered in any way in whole or part or if the organisers find it necessary to change the dates of the exhibition, the organisers shall not be liable for any expenditure, loss or damage incurred by an exhibitor or exhibition contractor resultant upon such change. Nor shall the organisers be liable for any expenditure, loss or damage resultant upon the intervention of any authority which restricts the use of the premises in whole or in part in any manner whatsoever.
