IPC challenges and solutions: An audience-led webinar series

Spotlight on guidelines: An audience-led webinar series

COVID-19 challenges and solutions: An audience-led webinar series

Media matters: Media training webinar
Webinar sponsorship

The Healthcare Infection Society works to prevent and control healthcare-associated infections. We have a network of over 1,300 infection prevention and control experts from the medical profession, including consultant microbiologists, doctors enrolled on an infection specialty training programme, nurses, clinical scientists and research scientists.

Webinar sponsorship benefits

- Experienced organisation and hosting of the webinar – including the registration process
- Recording of the session
- Marketing and promotion to a large network of healthcare professionals and over 8k followers on HIS social media accounts
- Details of delegates who agree to sharing contact details
- Your organisation logo and branding on the webinar webpage, social media posts, emails and holding slides
- Feedback from the delegates

Pricing

- Single speaker webinars:
  - £2000 + VAT

- Multiple speaker webinars:
  - Up to three speakers: £2300 + VAT
  - Up to five speakers: £2600 + VAT

Discount: 5 or more single speaker webinars £1500 each + VAT
